Dear Darien

The Eden Park Trust wishes to acknowledge the part played by Darien Rush Security in the successful delivery of Rugby World Cup 2011 at Eden Park.

The delivery of the contracted security service across all staff and operational areas was of the highest standard. The level of enthusiasm and commitment was a credit to all those people involved across some very challenging timeframes and conditions. Specific mention needs made of the contribution of the senior on-site staff during both the initial planning stages and through to the tournament itself. Their input was extremely valuable and their professional leadership and management of the event staff was a significant factor in the overall success enjoyed.

We would like to pass on our thanks to all concerned.

Yours sincerely
